

ARALDICA

Piemonte DOC Chardonnay

Color

Straw yellow with green hints

Aroma

Crisp fresh citrus fruit on the nose with a hint of green apple.

Palate

On the palate it has delicate ripe stone fruit characters, minerality in the background, a lemony finish and fresh acidity.

Grape variety

Chardonnay

Area

The Monferrato hills in the South of the province of Asti, Piemonte. South West aspects at altitudes between 250 and 400m. Limestone-clay soil.

Vineyards

Piemonte low Guyot trellis. Planting density 4,000 - 4,500 vines/ha.

Food Match

Great served as an aperitif, or with seafood or caesar salad.

Awards

Vintage 2017

Commended - SOMMELIER WINE AWARD
